Central Beds Local Offer for families:

The SNAP Parent Carer Forum survey conducted in early
2022 outlined the need for further work to improve the
reach of our local offer and as a result Central
Bedfordshire Council agreed steps , as outlined in the SNAP
Action Plan, to address this. As a result Central
Bedfordshire Council and SNAP PCF have worked together
to co-produce a Local Offer SEND Information booklet to
share with families .

This is available as an electronic version and has been
distributed widely to our colleagues in education, health,
care and our third sector partners.

Hard copies will be placed in all schools, early years
settings, children's centres, libraries, along with
designated health settings through the Spring Term .

The Local offer can also be found online at
www.localoffer.centralbedfordshire.gov.uk

(Use the 'Recite Me' tool bar at the top of the page to
enable you to access the pages in your own language)
