Looking after children can be tough, and we all need a little support at times.

Our FREE Parenting Puzzle course is for parents and carers of children aged 2-5 years.
It will help you understand different types of behaviour and explore different parenting
styles, helping to build positive relationships with your children.

We run four-week and ten-week courses from six of our children's centres, and the ten-week
course has a creche provision available.

Take part in our next course:

10 week Parenting Puzzle course at Sandy Children's Centre
Starts Wednesday 10th January, 10.30am-12.30pm
Free creche available
