<p>Year 1 items</p>	<p>Parents want to share positive feedback regarding the excellent communication from Mrs Payne on Marvellous Me. Parents feel that they're well informed with what the children are up to in class each week, as well lots of personal messages regarding achievements.</p> <p>Census Day – questions around how it works and concerns about time spent queuing up and waste of food. We have 3 census days a year and our funding for infant free school meals are based on the take up for this. We need this funding in order to ensure that we can offer a hot school dinner to every child from reception to year 2, as this is legal obligation. Therefore, should anyone change their mind about having packed lunches and want a school during the year, we need to make sure that the funding is there. We do however acknowledge that these days do make for a busy lunchtime in the kitchen, so will consider some options on how to make it run smoother, by perhaps adding another midday supervisor or extending their playtimes if they have been in the hall for longer than usual. It is also an opportunity for the children to have a try of the school dinners again, to see if they want to take them up.</p> <p>Is there going to be an Art Week at some point this year where the children do drawings/paintings which parents are then able to purchase? Yes – Mrs Jacobs has one planned for the summer term. The dates will be published on the newsletter after half term.</p>
<p>Online safety policy</p>	<p>Miss Hyde is updating our online safety policy, including the acceptable use agreements that we all adhere to. AH asks if parents have any feedback on the current policy that they would like to input?</p>
