MESSAGE FROM THE HEAD

A short week and a short newsletter to welcome you all back to the Summer term and to welcome parents of our new starters in Mulberries - I hope that you have all the information you need to make your child's start as smooth as possible but if not, please do ask. It is good to see the children back and already in full swing; it is amazing how quickly some of them have grown over the holiday too!

There is a huge amount going on this term and we look forward to sharing key events with you as we go. The class pages on the website share a lot of relevant information about the day to day learning within your child's class and the curriculum pages give you more specifics about the actual content of the curriculum covered. Again, please do ask if there is something you would like to see but can't find it. You can either speak to the class teacher or email us at teacher@mapletreepriamaryschool.com

Next week will see the return of all our awards and we look forward to celebrating achievements across the school and recognising those who are demonstrating our school values.

I hope you all have a good weekend.

Kid's Club

Half term is only 4 weeks away and our fabulous Kid's Club still have spaces on the Thursday 29th and Friday 30th May. If you could make use of us, please contact mapletreekidsclub@googlemail.com to book your space.

Rules Before and After School

Please may we remind parents and carers that children should not be riding their bikes or scooters on the school grounds at all. They should also not be playing any ball games during these times.

This is to ensure that everyone can move around the site safely without being hit by a ball or knocked over.

Where staff notice this happening, parents will be asked not to bring these items on to the school site.

It is parents and carers responsibility to supervise their children until they have safely entered the school building.
