

What should I already know?

- How to explain chronology.
- Explain some aspects of change within living memory and some changes beyond living memory.
- Know some significant historical figures – Samuel Pepys, Grace Darling
- Know some significant historical events – The Great Fire of London

Knowledge and skills – I will be able to understand and explain:

- Timeline of the Stone Age, Bronze Age and Iron Age
- Understand Palaeolithic, Mesolithic and Neolithic times
- Understand what Stone Age people did to survive
- How did Stone Age people-
 - Hunt and gather food
 - Find water and shelter
 - Make clothes
 - Make fire, cook and keep warm
 - Make tools and weapons
