

Partitioning numbers

Vocabulary

Groups of tens, ones

Maths Focus

- Children will apply their knowledge of grouping in 10s to identify how many tens and ones are within a number.

Maths Mastery

- Children understand that one ten is equal to 10 ones.

Objective

To be able to partition numbers into tens and ones.

National Curriculum Links

Year 1 Number - Number and Place Value

- Read and write numbers from 1 to 20 in numerals and words.

Common Errors and Conceptual Obstacles

- Children may confuse the tens and ones column, reversing the digits, for example.

Maths Talk

Can we make groups? How many can we put in each group?

What can we do with 10 ones?

How many groups of 10 are there?

How many ones are there?
